Work

Crafty Apes VFX: *Compositor* | Atlanta, GA | July 2022- March 2024

Worked as a compositor on film & television projects for streaming and theater release. Primary tasks include paint, keying, tracking, roto, and integration. Projects included work such as Gen V, The Exorcist: Believer, and Rustin.

Hornet Animation: *Compositing Intern* | Remote | June 2021-August 2021

Worked as a remote compositor on 2D, 3D, and stop motion animated projects for commercial work, short films, and Instagram posts with clients like Kroger.

SCAD Resident Assistant: | Savannah, GA | August 2019-May 2022

Maintained a safe living environment for students and hosted community programs and events.

Long Veterinary Clinic: *Creative Manager* | Kearney, MO | January 2018-Present

Created signs, illustrations, and videos marketing the business. Designed and managed the business website.

Education

Savannah College of Art and Design (SCAD) | Savannah, GA | 2018-2022

B.F.A. in Visual Effects

Kansas City Art Institute (KCAI) | Kansas City, MO | 2017

Summer Illustration Program

Other Projects

VFX Producer/Compositor: *"Get Real" Virtual Production Collab* | Savannah, GA | 2022

Worked to maintain consistent communication between film, VFX, and production design departments, organize progress through Shotgrid, and composite final shots.

Compositor: *SCAD x The Mill Collaborative Production Class* | Savannah, GA | 2021

Worked with mentors from the Mill in a group to create a CG commercial by compositing Houdini FX, light passes, and other effects in Nuke.

Compositor: *"I Can't Hate Myself" Music Video by Angelo Mota* | Remote | 2021

Worked as a compositor on 7 shots on the music video directed by Tristan Kim for Admilk.

Extracurricular

SCAD Digital Media Club President (DMC) | August 2020-May 2022

Led the Digital Media Club through overseeing and organizing events, social media updates, emails, and club relations. Events primarily focused around subjects in VFX & animation.
